

MYWIFI ISP

INSTALLATION FACT SHEET

NEW CLIENTS

MyWiFi's installation includes:

- WiFi Equipment
- Physical Installation & Setup
- Immediate Connection of Wireless Friendly Devices

Please note that a router accommodates a maximum of 15 devices and our Routers cover a radius of 20 - 30 meters.

Installations are charged at a once-off fee .

ISP CHANGE OVER

MyWiFi's supports changing from your current ISP to our network.

In order for us to deliver the best possible service we require the following:

- Photo of WiFi Equipment (Router and external equipment attached to the building)
- Physical location (To ensure we can provide coverage)

This information may be sent via WhatsApp to 076 068 4967 or per SMS. Alternatively feel free to email us - mywifi@mweb.co.za

Given your current equipment is to spec we will gladly welcome you to our network.

Change-overs are charged at current rates, which can be obtained via Whatsapp on 0760684967, outlying areas will incur additional costs.
